

Winding Ways: Curved Piecing Without Pins

Reeze L. Hanson, Instructor

Supply List:

- 5 light FQs and 5 dark FQs for 9 Block Project with Border –OR–
- 4 light FQs and 4 dark FQs for 4 Block Project with Border
 - Basic sewing supplies
 - Small scissors
 - Tweezers
 - Seam Guide
 - AccuQuilt Cutter and Winding Ways Die (Instructor will bring 2 cutters & dies)

Class kit is \$20 and includes project pattern, curved piecing instructions, and complete pre-cut practice block. The class will work on the 4-block project due to time. Those wishing to do the 9-block project may do so knowing that it will not be completed in class.

A note about fabric. Scrappy versions of the quilt can be made from your stash without concern for lights and darks, if you choose. However, an organized light/dark plan produces a more dramatic result.
